

Revenue sharing for Authorised Partners (AP)

Account Opening Fee

Select from a range of account opening fee for your client and get 100% payout on anything beyond ₹500.

Type of account	What Partner can charge clients?	Payout to Partner	Partner service fee (annual recurring)
Standard plan 1: Zero brokerage account	₹999 to ₹9,999	100% above ₹500	100% payout (₹999 to ₹9,999)
Standard plan 2: Free delivery account	₹0 to ₹9,999	100% above ₹500	NA
Customised brokerage plan	₹0 to ₹9,999	100% above ₹500	NA

Partner Service Fee - It's an annual recurring fee (applicable from second year onwards), which you can charge to those clients whom you are offering the 'Zero brokerage account', since you won't earn any brokerage income from them. The partner service fee will be equal to the account opening fee that you charge your client and 100% of that will be yours.

Note:
Mirae Asset will debit a one-time fee of ₹500 for every new client onboarded, regardless of the account opening fee chosen

Brokerage Fee

You can either select from our **standard plans** or **create a customised plan** for your clients based on their differentiated needs and trading behaviour.

Type of brokerage plan	Applicable brokerage	Payout to Partner
Standard plan 1 Zero Brokerage Account	₹0 brokerage for life across all segments	NA
Standard plan 2 Free Delivery Account	₹0 brokerage only on delivery	100%
Customised Plan	Choose from the below models Discount (fixed-per-order) Traditional (variable) Hybrid	100%

Note:
For customised plans:
If you choose to charge brokerage less than ₹20 per order to the client, then the minimum account opening fee that can be charged to the client is ₹499.

You can choose from our set of pre-defined templates that suit your client's trading requirements in the best way. You can refer to the following 3 examples from Discount, Traditional and Hybrid brokerage plans respectively.

Type of Plan	Delivery	Intraday	Futures	Options	Currency (F)	Currency (O)

Hybrid	0.20%	0.02%	₹10/order	₹10/order	0.02%	₹5/lot

Pay Later (MTF) Interest

You can either select our standard interest rates, i.e. base interest rates or choose to customise the interest rates applicable to the client.

Base interest Rate	Payout to Partner (up to base rate)	Customised interest rate (maximum limit)	Payout to Partner (above base rate)
9.99%	5%	24%	80%

Note:
If the funding is above ₹5 crore, you can also charge the client below 9.99% and up to 6.99% p.a. MTF interest rate, however, in that case, there won't be any interest sharing payout given to you.

If you charge our base interest rates as listed above, you will receive 5% interest income sharing. And for any customisation, you will receive 80% interest income payout of the differential revenue, i.e. interest earned beyond our base rates.

Pledge Shares Interest

You can either select our standard interest rates, i.e. base interest rates or choose to customise the interest rates applicable to the client.

Pledge Shares Funding value	Base interest Rate	Payout to Partner (up to base rate)	Customised interest rate (maximum limit)	Payout to Partner (above base rate)
Up to 80% of pledged stocks value	9.99%	5%	24%	80%

Note:
If you charge our base interest rates as listed above, you will receive 5% interest income sharing. And for any customisation, you will receive 80% interest income payout of the differential revenue, i.e. interest earned beyond our base rates.

Account Operating Charges

You can either select from our standard operating charges plans or customise client's operating charges.
